# Mill Park Garden Club

The Mill Park Garden Club was formed at the Mill Park Community House in May 1993.

A Group of 5 friendly and passionate gardeners met and shared their successful experiences and disasters in the garden! The group now numbers 90 Plus.

The aim of the Mill Park Garden Club is to share their Horticultural knowledge with others and to promote Horticulture as an enjoyable form of recreation.

Guest Speakers from Specialist Horticultural Societies and the Nursery Industry are invited to monthly meetings to help broaden the knowledge of Gardening.

Meets the third Friday of the Month except for January and December at:

Mill Park

Community Centre, corner

Blamey Avenue and

Mill Park Drive Mill Park.
